

**FET - Federation of Environmental Technologists, Inc.**

**Presents**

***ENVIRONMENT '08***  
***Annual Conference & Exhibition***

**March 10, 11 and 12, 2008**

**Wyndham Milwaukee Airport Hotel & Convention Center**  
**(Formerly Four Points Sheraton)**  
**4747 S. Howell Avenue, Milwaukee, Wisconsin**

***FET ~ Dedicated to Pollution Prevention & Economic Growth***  
**www.fetinc.org      Phone: 414-354-0070**

On behalf of the Federation of Environmental Technologists (FET), I would like to invite you to join us

**March 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup>, 2008**

**For Our Annual Conference and Exhibition at the  
WYNDHAM MILWAUKEE AIRPORT HOTEL & CONVENTION CENTER**

(formerly the Four Points Sheraton)

4747 S. Howell Avenue, Milwaukee, across from Mitchell International Airport

**Some New Features This Year Include:**

Choice of 6 Pre-conference workshops on Monday March 10<sup>th</sup> including

- Homeland Security High-Risk Chemical Requirements After Top-Screen
- Train-the-Trainer & Career Development
- Industrial Ventilation Fundamentals for EHS Professionals

Optional Monday evening Networking Dinner

**Some of the Returning Features of This Years Conference Include:**

- 29 Technical Presentations on the latest trends in Environmental Compliance, Management and Technology
- Over 45 Exhibitors displaying the latest in Environmental services, technologies and equipment
- 22nd Annual Governor's Awards for Excellence in Environmental Performance
- Three Keynote Speakers
- Great Networking opportunities
- Exhibit Hall and Sessions all on one floor PLUS Free Parking
- Scholarship Fund Silent Auction at the Tuesday evening Reception
- Annual Wisconsin CHMM Chapter Meeting

**FET Members, note the Early Registration Deadline of February 11th to save an additional \$50.00 on the 2-day Conference Fee.**

If you have any questions about the Conference be sure and see the FET web site, [www.fetinc.org](http://www.fetinc.org), or give the FET office a call at 414-354-0070. I hope that you will join us as we network, and learn about the newest regulations and technologies in the ever-changing field of Environmental and Safety professionals.

**Tony**

**Anthony M. Montemurro, CHMM**  
Conference Chair

**CONFERENCE SCHEDULE**  
*At a Glance*

**Monday, March 10th**

- 8:00 - 5:00: Pre-Conference Workshops
- 6:00 PM: Dinner (RSVP Needed)
- 7:30 PM: FET Hospitality Suite

**Tuesday, March 11th**

- 8:30 AM: Conference Opens
- 9:15 AM: Governor's Awards
- 9:15 - 4:30: Program Sessions
- 4:30 PM: Reception in Exhibit Hall
- 6:30 PM: FET Hospitality Suite

**Wednesday, March 12th**

- 8:30 - 3:30: Program Sessions
- 12:30 PM: FET Annual Meeting
- 3:45 PM: WI CHMM Annual Meeting
- 4:30 PM: End of Conference

**Environment '08 Conference Keynote Speakers**

***Luncheon Keynote: Tuesday, March 11th***

**Gerrit J. Reinders, Director Global Energy & Sustainability Programs, Johnson Controls**

Reinders' areas of expertise and responsibility include strategic and corporate planning for sustainability, high performance green buildings, energy and greenhouse gas emission management. He's also involved in developing and deploying sustainable strategies and programs that create economic, environmental and social value for commercial, industrial, governmental, healthcare and institutional clients. He has a BS in Mechanical Engineering from Marquette University and an MBA from Keller Graduate School of Management.

***Luncheon Keynote: Wednesday, March 12th***

**Molly Jahn, Dean of the College of Agriculture and Life Sciences, UW-Madison**

Molly Jahn serves as dean of the College of Agricultural and Life Sciences, which addresses issues of health, food, energy and the environment through teaching, research and outreach. Prior to accepting the deanship she was a professor in the departments of Plant Breeding & Genetics and Plant Biology at Cornell University. Focusing her research on plant breeding and plant genetics, she has worked extensively overseas to link crop breeding with improved human nutrition and human welfare. She holds degrees from Swarthmore College, MIT and Cornell University with postdoctoral work at UC Berkeley.

# Pre-Conference Workshops: Monday, March 10, 2008

FET has a selection of six Pre-Conference Workshops designed to help the Environmental Professional meet specific regulation requirements or give updates to rules. Topics subject to change.

<b>A. <u>Environmental Health and Safety Primer</u></b>	<b>B. <u>Stormwater Permitting Workshop</u></b>	<b>C. <u>Evolving Storage Tank Issues 2008</u></b>
<p>Registration 7:30 am Program 8:00 am - 4:00 pm</p> <p>This workshop will give a general understanding and update of all major environmental regulations and management.</p> <ul style="list-style-type: none"> <li>• Emergency Planning and Community Right to Know</li> <li>• Wastewater and Storm Water Permits</li> <li>• Environmental Health &amp; Safety Regulations: What You Need to Know</li> <li>• Clean Air Act: Overview</li> <li>• Hazard Communication</li> <li>• Hazardous &amp; Special Wastes - How to Identify Wastes &amp; Requirements</li> <li>• Hazardous Materials Transportation</li> <li>• Dealing with Releases: What Do You Do?</li> <li>• Environmental &amp; Safety Management Systems: How to Develop &amp; Use Them</li> </ul>	<p>Registration 7:45 am Program 8:15 am - 4:30 pm</p> <p>This workshop is designed to help companies develop and implement a storm water management program.</p> <ul style="list-style-type: none"> <li>• Regulatory Overview and Future Regulatory Trends</li> <li>• Considerations in Effective Design of Stormwater BMPs</li> <li>• Pervious Pavement Applications in Northern Climates</li> <li>• Green Roofs</li> <li>• Infiltration Systems to Manage Stormwater</li> <li>• Operational Best Management Practices</li> <li>• Sampling Stormwater and Source Identification</li> <li>• Conducting Storm Sewer System Inspections</li> </ul>	<p>Registration 7:30 am Program 8:00 am - 4:00 pm</p> <p>This workshop will provide updates on regulation of flammable, combustible, and hazardous liquid underground storage tanks and aboveground storage tanks.</p> <ul style="list-style-type: none"> <li>• Evolving Developments with Biofuels</li> <li>• Regulation and Compliance Concerns Associated with Biodiesel and Ethanol Production Facilities</li> <li>• Tank System Closures - Revised Requirements</li> <li>• Comm 10 Revision Status</li> <li>• Current and Proposed Hazardous Liquid Tank Regulations</li> <li>• Intermediate Bulk Containers 101</li> <li>• Commerce Tank System Permitting and Inspection Requirements</li> <li>• Common Causes of Chemical Tank System Safety Incidents</li> <li>• Tank Industry Developments and Concerns</li> </ul>
<b>D. <u>Industrial Ventilation for EHS Professionals</u></b>	<b>E. <u>Train-the-Trainer and Career Development</u></b>	<b>F. <u>DHS High-Risk Chemical Requirements After Top-Screen</u></b>
<p>Registration 7:30 am Program 8:00 am - 4:00 pm</p> <p>This workshop will focus on resolving industrial ventilation issues and combine presentations with hands-on exercises to resolve potential air contaminant hazards.</p> <ul style="list-style-type: none"> <li>• Introduction to Industrial Ventilation</li> <li>• Process Specific Considerations</li> <li>• Local Exhaust Concepts</li> <li>• General Dilution Ventilation Concepts</li> <li>• Integrated Ventilation: Aerodynamic Considerations Plus Air Mass Balance and Ventilation Pattern Analysis</li> <li>• Integrated Ventilation: Air Quality Considerations, Personal Monitoring and Plantwide Air Quality Monitoring</li> <li>• Ventilation Assessment – Hood Capture and System</li> <li>• Maximizing Energy Performance</li> <li>• Defining Improvement Options</li> </ul>	<p>Registration 7:45 am Program 8:15 am - 4:15 pm</p> <p>This workshop is designed to improve Employee training to stay in compliance and meet EHS goals. In addition, it will assist EHS professionals to maintain and adapt skills for their current position and a possible career change.</p> <ul style="list-style-type: none"> <li>• How Adults Learn</li> <li>• Where to Start – Work Prior to Training</li> <li>• Doing the Deed – Conducting the Training</li> <li>• Did it Work? – After the Training Session</li> <li>• Keeping Your EHS Skills Current</li> <li>• Assessing Your Skill Set for a Career Change</li> <li>• Job Hunting After Age 40</li> <li>• Conversation with a Recruiter - What Opportunities Exist for Using a Professional Recruiter in Your Job Search</li> </ul>	<p>Registration 8:00 am Program 8:30 am - 4:15 pm</p> <p>This workshop is designed to help facilities comply with new security and anti-terrorism requirements.</p> <ul style="list-style-type: none"> <li>• DHS Anti-Terrorism Standards Overview &amp; Due Dates</li> <li>• Chemical Vulnerability Information: Which Employees at Your Facility Must Get Training?</li> <li>• Preliminary Tiering 1, 2, 3 or 4: What Does it Mean &amp; Can Tiers be Changed?</li> <li>• Security Vulnerability Analysis – What Must Facilities Submit?</li> <li>• SVA Review and Approval by DHS</li> <li>• Site Security Plan (SSP) – What Must Be Submitted?</li> <li>• DHS Facility Inspections: What Should Facilities Prepare?</li> <li>• Using the Terrorist Screening Database: What Actions Must You Take After a Screening Hit?</li> </ul>

# FET Conference Schedule • Tuesday, March 11, 2008

8:00 am • Registration

8:30 am • Welcome & Opening Address

9:30 am

**1A**  
**Blatz Pavilion/ Milwaukee River PCB Contaminated Sediment Remediation**  
**Roy Wittenberg**, PE, Managing Engineer  
**Julie Zimdars**, PE, Senior Engineer  
 Natural Resource Technology, Pewaukee, WI  
**Theodore Bosch**, Wastewater Engineer  
 Wisconsin DNR, Milwaukee, WI

**1B**  
**A Survey of Process Approaches to Solving and Preventing EH&S Problems**  
**Kevin Lehner**  
 President  
 Environmental Compliance Systems, Inc.  
 Lake Mills, WI

**1C**  
**22nd Annual Governor's Awards For Excellence In Environmental Performance**

10:30 am

**2A**  
**Chemical Safety Handling: Best Practices**  
**William Gooding**, CHMM  
 EH&S Manager  
 Management of Environmental Safety & Health, Appleton, WI

**2B**  
**Status and Update of Pending COMM10 Storage Tank Code Revision**  
**Sheldon Schall**  
 Chief - Storage Tank Regulation Section  
 Wisconsin Department of Commerce  
 Madison, WI

**2C**  
**Blowing the Lid Off Air Dispersion Modeling: Top 10 Questions You Should be Asking Your Dispersion Modeler Now**  
**Mindy Ochs**, PE, Environmental and Regulatory Director, Western Lime Corporation, West Bend, WI  
**Clay Raasch**, Operations Director, Trinity Consultants, Stillwater, MN

11:45 • Luncheon, 2008 Scholarships & Keynote Address

**Keynote Address: Gerrit J. Reinders, Director, Sustainable Energy Solutions, Johnson Controls**  
*"The Path to Sustainable Energy Solutions"*

1:30 pm

**3A**  
**Energy Efficiency and Sustainability**  
**Ann Beier**  
 Director of the Office of Environmental Sustainability  
 City of Milwaukee  
 Milwaukee, WI

**3B**  
**Establishing a Formal EMS That is Not Third Party Certified**  
**Lynn McIntosh**, CEA, CHMM  
 Senior Consultant, ARCADIS US  
 Milwaukee, WI  
**John Keese**, Labor Administrator  
 Roundy's Supermarkets, Inc.  
 Oconomowoc, WI

**3C**  
**ARC Flash Incidents and New Electrical Standards Enforcement**  
**Brian Downie**  
 Project Manager, ESP  
 Town & Country Electric  
 Appleton, WI

2:45 pm

**4A**  
**Management of Universal Waste**  
**Phillip Ditter**, CHMM  
 EH&S Manager  
 Veolia ES Technical Solutions LLC  
 Port Washington, WI

**4B**  
**"NO PERMIT REQUIRED!" Making the Most of Wisconsin's Air Permit Exemptions**  
**Jim Raff**  
 Plant Engineer  
 Hexion Specialty Chemicals  
 Sheboygan, WI

**4C**  
**What to Expect: OSHA Inspector at Your Facility**  
**Patrick Ostrenga**  
 Compliance Assistance Specialist  
 OSHA  
 Milwaukee, WI

3:45 pm

**5A**  
**EMS and Sustainability: Moving to an Integrated Management System**  
**Paul Zovic**, CHMM, District Manager  
**Mark Curran**, Sustainable Environmental Management National Practice Leader  
 Shaw Environmental & Infrastructure  
 Milwaukee, WI

**5B**  
**Protecting America's Critical Infrastructure**  
**Ed Gleason**  
 Protective Security Advisor  
 US Department of Homeland Security  
 Milwaukee, WI

**5C**  
**Federal Court Rulings Affecting Air Quality Standards**  
**Todd Palmer**  
 Attorney  
 DeWitt Ross & Stevens  
 Madison, WI

4:30 pm • RECEPTION & SCHOLARSHIP SILENT AUCTION in Exhibit Hall

~ Followed by the FET Hospitality Suite ~

# FET Conference Schedule • Wednesday, March 12, 2008

## 8:00 am • Registration

<b>8:30 am</b>	<p>6A <b>Optimizing Reuse, Salvage and Recycling during Demolition for the New Harley-Davidson Museum</b> <b>David Scherzer</b>, Principal, The Sigma Group, Milwaukee, WI <b>Joyce Koker</b>, PE, Corporate Environment Safety Engineer, Harley-Davidson, Milwaukee, WI</p>	<p>6B <b>Midwest Power Market Issues</b> <b>Don Neumeyer</b> Planning Engineer Public Service Commission of Wisconsin Madison, WI</p>	<p>6C <b>Implementation Issues for Air Quality Standards</b> <b>Mark Thimke</b> Attorney Foley &amp; Lardner Milwaukee, WI</p>
<b>9:45 am</b>	<p>7A <b>How to Maintain and Improve Your EH&amp;S Management System</b> <b>James Mueller</b>, Environmental Risk Manager <b>Robert Evangelisti</b>, CHMM, EH&amp;S Senior Manager SC Johnson, Racine, WI</p>	<p>7B <b>Facility Energy Audits for Cost Reduction, Including Greenhouse Gas</b> <b>Timothy Dantoin</b> Industrial Energy Advisor SAIC Energy Solutions Group Green Bay, WI</p>	<p>7C <b>Current Status of State Regulations</b> <b>Scott Manley</b> Directory of Environmental Policy Wisconsin Manufacturers &amp; Commerce Madison, WI</p>

## 12:00 Noon • Luncheon, Annual Meeting, Exhibitor Drawings & Keynote Address

**Keynote Address: Molly Jahn, Dean, College of Agriculture and Life Sciences, UW-Madison**

*"The Economic Impact of the Wisconsin Bioenergy Initiative & the Great Lakes Bioenergy Research Center"*

<b>1:30 pm</b>	<p>9A <b>Construction and Post-Construction Stormwater Management</b> <b>Lenny Kanter</b> Erosion and Stormwater Engineering Consultant Wisconsin Department of Commerce Madison, WI</p>	<p>9B <b>Inspections: How to Prepare for a Multi-Media Environmental Inspection</b> <b>Vanessa Thompson</b> Environmental Warden Wisconsin DNR Milwaukee, WI</p>	<p>9C <b>Preparing for Greenhouse Gas Regulation: The Future for Electricity Generation</b> <b>Kris McKinney</b> Environmental Strategy Manager We Energies Milwaukee, WI</p>
<b>2:45 pm</b>	<p>10A <b>Approaches to Soil Vapor Intrusion in Buildings</b> <b>Theresa Evanson</b> Hydrogeologist Wisconsin DNR Madison, WI</p>	<p>10B <b>Security: The New Horizon in Hazardous Materials Management and the Environmental Profession</b> <b>Paula Biewer</b>, CHMM SQRA/ CMS Coordinator Hydrite Chemical Oshkosh, WI</p>	<p>10C <b>New DOT Transportation Regulations: Changes to Shipping Papers and Future Requirements</b> <b>Mark Razny</b> Investigator US Department of Transportation Des Plaines, IL</p>

3:45 pm • Wisconsin CHMM Chapter Annual Meeting

4:30 pm • End of Conference

# Conference Details

## Conference Location and Lodging Information

The Conference & Exhibition is at the **Wyndham Milwaukee Airport Hotel & Convention Center, 4747 S. Howell Avenue**, across from Mitchell International Airport. (Formerly Four Points Sheraton - Milwaukee Airport Hotel) With **FREE** parking, the Exhibit Hall and concurrent Sessions are all on one level, and easily accessible. **To receive the Special \$99 Single or Double Room Rate, call the Wyndham directly at 414-481-8000 by February 29, 2008. You must mention FET- Federation of Environmental Technologists to receive the Conference rate.** This rate will also extend to the weekends before and after the Conference.

## Earn Professional Credits by Attending the Conference on Tuesday and Wednesday

To earn the Credits, participants must complete the CEU form in the Conference folder.

- 1.4 (14 hours) Continuing Education Units (CEU)
- 13 hours maximum WDNR Waterworks / Wastewater Treatment Operator
- 9.0 Continuing Legal Education Credits (CLE)
- 2.0 total Industrial Hygiene CM Points (0.5 points per half day)
- 1.0 (16 hours) Certified Hazardous Materials Manager (CHMM) Certification Maintenance Points (CMP)

## Silent Auction to Benefit the FET Scholarship Fund

Join us Tuesday Evening at 4:30 PM for the Conference Reception in the Exhibit Hall. We'll have donated Gift Baskets and Gift Items you can bid on. Proceeds will help raise funds for the FET Scholarship Fund. If you'd like to donate a Gift Basket or Item for the Auction, call the FET Office at 414-354-0070 before February 23rd.

## Exhibitor Door Prize Giveaway

Visit the Exhibition Hall and enter to win Exhibitor-sponsored Prizes. Fill out prize tickets provided at the Conference, and drop off at specific booths to win. Drawings for these Prizes will be held during the Wednesday Luncheon.

## Helpful Hints for a Successful Conference

- **Enter the hotel** at the *Baton Rouge Ballroom Entrance* for easy access to the Conference Registration Area.
- **Lunch is included** for individuals registered for the Pre-Conference sessions and the Conference. Coffee, tea, soda and water will also be available on Monday, Tuesday and Wednesday.
- **Registration confirmations are not automatically sent.** Credit card receipts and invoices will be emailed. If you want confirmation that FET has received your registration, call us at 414-354-0070 for assistance.

## Join FET as a New Member to take advantage of the Conference Membership Special

To learn more about the benefits of FET and receive a membership form, visit our website at [www.fetinc.org](http://www.fetinc.org)

*Become a new FET Member and receive these benefits:*

- Extended Membership period through June 30, 2009
- \$375 2-day Conference fee - **a savings of \$100 off** the non-member 2 day Conference fee of \$475
- Join before February 11, 2008 and **receive additional savings with the \$50 Early Bird Special discount** for the 2-day Conference.

# Environment '08 Registration Form

Wyndham Milwaukee Airport & Convention Center, 4747 S. Howell Avenue, Milwaukee, WI 414-481-8000

Name: \_\_\_\_\_ Company: \_\_\_\_\_

Address: \_\_\_\_\_ City/State/Zip: \_\_\_\_\_

\*Email and Address Required for Billing Option. \*\*Address, Phone and Email Required for Credit Card Option. If FET is unable to process your card, an invoice will be sent. Call 414-354-0070 for assistance.

### Cancellation Policy

If you are unable to attend, you may send a substitute to attend in your place. Cancellations must be received in writing prior to March 6, 2008. **If you do not cancel prior to March 6th, you will be billed for the entire Registration fee.**

## Exhibit Hall

Hours: Tuesday, March 11th: 10:00 AM - 6:00 PM

Wednesday, March 12th: 9:00 AM - 3:30 PM

The Exhibition is a vital part of the annual Conference experience. We are excited to again offer an opportunity to showcase the services and products of our Exhibitors.

Following is a partial listing of Exhibitors at *ENVIRONMENT '08*:

Accelerated Analytical  
Balestrieri Environmental  
Brenntag - Great Lakes  
Bureau of National Affairs  
Cardinal Environmental  
Cascade Asset Mgt  
CETCO Liquid Boot Company  
CWT of Wisconsin  
ECCS Mobile Laboratories  
EnviRestor  
Env Compliance Systems  
Environmental Data Resources  
Env Monitoring & Technologies  
Enviro-Safe Consulting  
ERM  
FET  
GZA GeoEnvironmental  
Lakeshore Technical College  
MATC  
Natural Resource Technology  
Northern Lake Service

ORIN Remediation Technologies  
Pace Analytical Services  
Rain For Rent  
Rineco Chemical Industries  
RMT  
Safety Storage  
S-F Analytical Laboratories  
Strand Associates  
STS Consultants  
Symbiont  
TestAmerica Inc  
The Sigma Group  
Trinity Consultants  
Veolia Environmental Services  
Waste Management of Wisconsin  
Weston Solutions  
Wisconsin CHMM Chapter  
WI Department of Commerce  
Wisconsin DNR  
WRR Environmental Services

Viewing of the Exhibits only is Free; come to the FET Registration Area to register and receive a name badge.

## Conference Contributors

We gratefully acknowledge the following Businesses who have loaned equipment or contributed funds to help underwrite the costs of this Conference.

BRP US
