

FOR IMMEDIATE RELEASE

Paul T. Pepler Joins GZA GeoEnvironmental, Inc.

MANCHESTER, NH AND NORWOOD, MA...ISSUED MARCH 19, 2010...GZA GeoEnvironmental Inc., a leading environmental and geotechnical consulting firm, recently announced that Paul T. Pepler has joined the company's Environmental, Health & Safety Management Consulting Group in Manchester, NH.

A resident of Lee, NH, Pepler attended the University of New Hampshire (UNH) where he earned a Bachelor of Science in Environmental Science and a Master of Science in Civil Engineering with a concentration in Environmental Engineering.

Pepler holds a license in On Site Wastewater System Design from the State of NH and an Engineer in Training license from the NH State Board of Professional Engineers. Before joining GZA as an Environmental Engineer he was a Graduate Research Assistant at the New England Water Treatment Technology Assistance Center, in the Department of Civil Engineering at UNH. He is a member of the American Society of Civil Engineers, the American Water Works Association, the New England Water Works Association, the Water Environment Federation and the American Public Works Association.

"We are pleased to welcome Paul to our growing environmental consulting group in Manchester," said William R. Beloff, President and CEO of GZA GeoEnvironmental, Inc. "He joins a great team of professionals who provide valued services and support to all of our clients."
