

## **James H. Long Named Vice President for GZA GeoEnvironmental, Inc.**

NORWOOD, MA and NEWMARKET, NH...ISSUED FEBRUARY 11, 2009...GZA GeoEnvironmental Inc., a leading environmental and geotechnical consulting firm, has announced that James H. Long has been named to the position of Vice President.

Long, a Soil Scientist, Wetland Scientist and Forester, is the former Vice President of NHSC, Inc. in charge of field operations. Since 1986 Long has provided services throughout New Hampshire, Maine and Massachusetts. His areas of specialization include conducting field investigations for natural resource identification, soil surveys, wetland delineations, wetland functional analysis, wetland classifications, hydric soil site assessments, test pit evaluations, timber evaluations and forest management.

“James brings great expertise and resources to our management team along with a strong reputation for excellence,” said William R. Beloff, President and CEO of GZA GeoEnvironmental, Inc. “Our clients across the region will benefit from his unique experience and perspective in the field.”
