

GeoEnvironmental, Inc. GZA GeoEnvironmental, Inc. Expands Grand Rapids Office

GRAND RAPIDS MI AND NORWOOD MA...ISSUED MARCH 14, 2009...GZA GeoEnvironmental Inc., a leading environmental and geotechnical consulting firm, has moved to new expanded office space in Grand Rapids that will provide them greater accessibility to the West Michigan community. The new office is located at 3940 Broadmoor Avenue SE, Suite 105 in Grand Rapids, Michigan.

The Grand Rapids office provides services related to the fields of geotechnical engineering, solid waste, environmental compliance and permitting, environmental remediation, occupational health and safety, air quality, and property development. The new office space will provide GZA with increased accessibility for clients.

“Our Grand Rapids team has built a solid reputation that reflects the excellence of their areas of practice, the professionalism of the staff, and their commitment to provide superior client service.” said William R. Beloff, President and CEO of GZA GeoEnvironmental, Inc. “The new office space will allow our staff to continue to grow their business in the region and provide clients with a full range of services.”
