## ≡ About GZA

Don Goldberg and Bill Zoino founded GZA in 1964 on the values of integrity, professionalism and loyalty. Since then, the company has grown from a small consulting partnership to a major multi-disciplinary, employee-owned firm that focuses on environmental, geotechnical, ecological, water, and construction management services.

EVERY DAY,  
GZA'S EXPERTS  
BUILD ON A  
LEGACY OF  
TRUST THROUGH  
THEIR PERSONAL  
COMMITMENT TO  
EXCELLENCE.

The collective knowledge of the entire company is available to each client on every project for an experience that is uniquely GZA.

We believe our clients trust our people because of their honesty and commitment to excellence. Clients know - expect - that we will deliver solutions that help them succeed regardless of the size or complexity of their challenges. And they know that GZA helps reduce their project risks and strives to deliver the best possible results and value through comprehensive analysis of each project's entire lifecycle.

It is why we are **known for excellence, built on trust.**

WITH A STAFF OF MORE THAN 650  
PEOPLE IN OVER 30 OFFICES IN THE NEW  
ENGLAND, MID-ATLANTIC AND GREAT  
LAKES REGIONS OF THE UNITED STATES,  
WE HAVE COMPLETED OVER 100,000  
PROJECTS FOR A WIDE ARRAY OF PUBLIC  
AND PRIVATE CLIENTS FOR THE PAST 50  
YEARS AND COUNTING.

## EXCELLENCE

GZA's staff provides solutions to help clients succeed regardless of the size or complexity of their challenges.

GZA has provided multi-disciplinary engineering and environmental services to industrial clients since the 1980's. Our licensed, published, highly-regarded professionals are thought-leaders in their fields of practice. They develop customized solutions for each client's unique regulatory, technical, and operational situation.

## TRUSTED

Clients trust the people of GZA because of our core values of honesty, integrity and our commitment to excellence.

From proactive management of active sites to the strategic closure of out-of-service assets, GZA is a trusted advisor. Clients confidently return to us time and time again because our engineers and scientists are dedicated to providing an unparalleled level of service, advocacy, and technical proficiency.

## RESULTS ORIENTED

GZA helps reduce risks and strives to deliver the best possible value for clients by employing a thorough and thoughtful analysis of each project through its entire lifecycle.

GZA anticipates issues common in industrial situations and reacts swiftly to deliver results. We quickly discern the critical drivers of a project and calibrate our solutions accordingly. With our size and capabilities, GZA provides seamless environmental, ecological, water, and construction management services for large, multi-site Fortune 500 clients, while also remaining attentive to small, individual projects—from planning to post-closure.

Known for excellence.
